

**Bovine Serum Albumin (BSA),**  
(IgG-Free, Protease-Free)

**CatNo** **E140-10**

BatchNo: See Label  
Storage: 2 - 25°C

<b>Amount:</b>	10 g
<b>Remarks:</b>	This highly purified grade of bovine serum albumin is used in all of our products which contain BSA as a carrier. Our IgG-Free and Protease -Free grade of bovine serum albumin is recommended for use in diluents for antibodies and enzymes, or as a blocking agent for many immunohistochemical and transfer blot applications.
<b>Purity:</b>	Tested negative for bovine IgG and for protease.
<b>Expiration Date:</b>	Three Years from date of receipt. The expiration date may be extended if test results are acceptable for the intended use.
<b>Rehydration:</b>	Weigh out desired amount and dissolve in desired buffer. Centrifuge if not clear. Prepare working dilution on day of use.
<b>Storage:</b>	2 - 25°C in dry conditions protected from light.
E140 231211-1/1	This product is for in vitro research use only. It is not a medical device and it is not intended for diagnostic or therapeutic purposes.
